**St John
Cadets**

*Fun, Friendships
& First Aid...*

As a **St John Cadet** you...

- Develop self confidence
- Learn vital first aid skills with people your own age
- Attend first aid duties
- Assist injuries and illnesses in a supervised environment
- Enhance career opportunities, particularly in the health care industry
- Gain credits towards your SACE
- Attend recreational camps & leadership courses
- Meet new people and make life long friends
- Provide your community with an invaluable service

To join in the fun of being a
St John Cadet all you need is:

- Be aged between 11 and 18
(Junior program for 8 - 10 years)
- A willingness to help others
- Commitment to your duties
- A few spare hours a week
- A willingness to learn

All training is free and once you have qualified a uniform will be provided.

**It's fun, exciting,
challenging
and rewarding...
But most of all it's
about helping
others.**

St John Cadets... are everyday kids doing extra-ordinary things...

St John in South Australia is seeking enthusiastic young people to join our team...

We have a lot to do! St John is South Australia's leading first aid services provider - with first responders attending Clipsal 500, Royal Adelaide Show, Big Day Out and hundreds of festivals and events across South Australia.

Our cadet program teaches you first aid... then you can start attending events and providing first aid to our community – but there is so much more to do!

As a part of our team, you get to join in with the whole range of activities to help you develop the skills you need for life – and you can earn some SACE points along the way!

You can access leadership training and training in a whole range of other activities including boating, emergency management, and casualty simulation (making people look sick!).

Each year we have a couple of camps – a great opportunity to get away and have a good time with other cadets from across the state. There is also a National Camp held in a different state or territory.

Our first aid competitions provide an opportunity for you to apply the skills learnt in a practise environment. The winners have the opportunity to represent South Australia at the National Competition... and possibly at international level.

There is heaps to do, and plenty of opportunities... We look forward to you joining our team!

Awards and Competitions

There's much more to being a St John Cadet than just first aid. St John provides you with many opportunities and recognises your achievements.

- Earn Proficiency Badges in emergency management, communication, health, and recreational topics
- Aim for the **Grand Prior's Award** presented at the St John Awards Day
- Opportunities to achieve Bronze, Silver or Gold **Duke of Edinburgh's Award**
- Opportunities to achieve a St John **Southern Cross Award**
- Gain hands-on experience with simulated real-life accidents at the annual St John first aid competitions
- Enter the annual Wright Trophy & Drill Competition (casualty simulation) or Food Tray competitions
- Achieve recognition for attending public first aid duties

SACE Units

Build your SACE Units through volunteering.

St John Cadets aged 14 years and older can work towards Stage 1 SACE Units through volunteering with St John Ambulance.

Recreational Activities

We know our cadets work hard helping their community and know how important it is to have fun... so there are plenty of great activities to share with friends. There is a lot to be learned while having a great time!

Recreational activities develop leadership and social skills while promoting teamwork and networking

- Be trained in life skills in a fun team environment at the annual St John Proficiency Camp
- Attend the annual Angaston Camp
- Meet St John Cadets from other states at the National Cadet Camp

Public Events

Attend public events and assist in treating casualties (under adult supervision)

- Assist at major public and sporting events, concerts and music festivals
- Participate in the ANZAC Day Vigil, Dawn Service and March
