

Provide First Aid

6 hours with online theory assessment

HLTAID009 Provide cardiopulmonary resuscitation
HLTAID010 Provide basic emergency life support
HLTAID011 Provide First Aid

Overview

The Provide First Aid 6 hours with Online Theory Assessment course covers a comprehensive range of topics to enable participants to confidently manage emergency situations and provide a first aid response to a casualty.

It is suitable for both people in the workplace and members of the public who want training in first aid.

Course Duration

St John offers the following options:

- 6-hour face-to-face workshop.
- Participants are required to undertake an online e-learning assessment prior to attending the face-to-face workshop to address the knowledge requirement for this course. The duration of the online e-learning assessment is dependent on a student's existing level of current first aid knowledge.

Certificate

On successful completion of this course you will be issued a statement of attainment in:

- HLTAID009 Provide cardiopulmonary resuscitation
- HLTAID010 Provide basic emergency life support
- HLTAID011 Provide First Aid

St John recommends, as per the First Aid in the Workplace Code of Practice and the Australian Resuscitation Council guidelines, that first aid skills are renewed every 3 years and resuscitation skills (HLTAID009/HLTAID015) are renewed every 12 months.

Course Outline

The course covers the following:

- Roles and responsibilities of the first aider
- The DRSABCD action plan and responding to emergency situations
- Managing unconscious casualties
- Cardiopulmonary resuscitation (CPR)
- Using a defibrillator (AED)
- Legal issues in first aid
- Infection control
- Diabetes and seizures
- Asthma
- Allergic reactions and Anaphylaxis
- Wound and bleeding management
- Burns
- Fractures and dislocations
- Sprains and strains
- Hypothermia and hyperthermia
- Head, neck, and spinal injuries
- Medical emergencies
- Choking
- Abdominal and chest injuries
- Poisoning management
- Bites and stings
- Stroke

Assessment Methods

A successful outcome for this statement of attainment will be determined by a range of different methods including written assessment, observation of simulated and practical activities, etc.

You will be required to demonstrate CPR on a manikin on the floor.

Locations

St John delivers first aid courses nationally and across many locations in Australia. Choose the location to suit your needs.

- Public (at a venue near you)
- Onsite (at a venue of your choice)
- Online (some training can be delivered online)
