

Provide First Aid

COURSE INFORMATION

The flagship St John Ambulance first aid course covers the skills and knowledge required to provide a first aid response to a casualty in line with first aid guidelines determined by the Australian Resuscitation Council (ARC) and other Australian national peak clinical bodies.

This course includes the following units of competency:

- HLTAID009 Provide cardiopulmonary resuscitation
- HLTAID010 Provide basic emergency life support
- HLTAID011 Provide First Aid

COURSE DURATION AND DELIVERY MODES

St John offers the following options:

- **1 day face to face session-SJx:** This is a 7.5 hour face to face session and participants must attend full session.
- **Half day face to face session with pre-learning and online assessment-SJX:** This is a 4 hour 45 minutes session and participants MUST complete pre-learning and online assessment BEFORE coming for the face-to-face session.
- **Half day virtual classroom session-SJx:** This is a 5 hour Virtual Classroom session delivered in real time, live with your trainer on a video conference. Participants are required to perform assessment tasks on another person, who acts as the 'mock casualty'. Participant need to arrange a second person to join them for 1 hour 15 mins during second half of the session.

ENTRY REQUIREMENTS

Participants must:

- Provide a valid Unique Student Identifier (USI) at enrolment
- Provide photo ID at attendance
- Have physical capacity to perform a rescue
- Be able to perform 2 minutes of CPR on a manikin on the floor
- Have access to a reliable device (e.g., computer, laptop, or smart phone) connected to the internet for courses with pre-learning.
- Complete all pre-learning before the workshop (if applicable)
- Have sufficient Language, Literacy, Numeracy and Digital (LLND) skills to follow course requirements, instructions, and effectively participate in assessments and practical rescue tasks.

WHO SHOULD ENROL

This course is for all individuals who may be required to provide a first aid response in a range of situations, including community and workplace settings. This course covers a comprehensive range of topics to enable participants to confidently manage emergency situations and provide a first aid response to a casualty. It covers the most common first aid injuries and illnesses.

If you require any additional support or reasonable adjustments, please inform St John at booking or before enrolment. For enquiries, contact your St John State/Territory office or visit www.stjohn.org.au, or call 1300 ST JOHN.
