**St John SA has always had rigorous infection control practices in the classroom. Additional measures have been introduced, including individual disposable pre-packs for course materials.**

**All St John SA first aid courses are set up to comply with social distancing regulations.**

**Less time off the tools!**  
**NEW online training options – just come in for a short assessment, or organise an on-site assessment for the whole team**

 **Call 1300 78 5646 to book and quote your member number**

\*St John SA delivers nationally recognised training in partnership with St John Ambulance Australia Limited (RTO 88041). [Click here](#) for more information about your specific course, including units of competency achieved, options for delivery, duration and more.

^Mental Health First Aid is externally accredited by Mental Health First Aid Australia
